Third Conference On "Mathematics, biology and Medecine"

Special edition – Mathematics in medical imaging

December 17, 2024, M'sila (Algeria)

https://hachama.github.io/home/confs/maths_img_24.pdf

About

This edition follows the first edition organized in 2012 and the second edition organized in 2017. It will be dedicated to medical imaging. The objective of the conference is to serves as platform for researchers and scientists in field of mathematical medical imaging to exchange ideas and explore the latest advances in this field. Our conference includes keynote speeches presentations and posters.

Topics

- Mathematical methods for medical image processing
- Artificial intelligence for medical imaging and applications
- Medical image denoising, registration, reconstruction, features detection, ...
- Inverse problems in medical imaging

Honor Committee

- A. Boudela, Rector to university of M'sila
- Nouiri Brahim, Dean of Fac. of Mathematics and Computer Science
- Ben saci Tayeb, Dean of, Fac. of Sciences

Chaireman

Benhamidouche Noureddine, U. of M'sila

Organising Committee

- Sengouga A.Mohcen, U. M'sila
- Chouder Rafaa, U. M'sila
- · Salmi Mohamed, U. M'sila
- Bounab Sabrina, U. M'sila
- Abdelkebir Saad, U. M'sila
- Bilal Basti, U. M'sila
- Bakhti Salim, U. M'sila

Scientific Committee

President: Mohammed Hachama, NHSM

- Benhamidouche Noureddine, U. M'sila
- Nouri F.Z, U. Annaba
- Merzougui Abdelkrim, U. M'sila
- · Arioua Yacine, U. M'sila
- Khoudri Saad, U Sétif
- Guerbous Lakhdar, COMENA Alger

Submission

Authors are invited to submit their abstract to the following address

hachamam@gmail.com

Deadline: December 5, 2024
